

# GET READY-TO-WORK

## MANUFACTURING

Fairfield County, in collaboration with Ohio University-Lancaster, Hocking College, and Eastland-Fairfield Career and Technical School continues its Ready-to-Work series with Ready-to-Work Manufacturing. Students participating in this this four-week intensive program can gain the skills needed to start a career in manufacturing.

### STUDENTS PARTICIPATING IN THIS 4-WEEK PROGRAM WILL GAIN SKILLS IN:

- Health and Safety
- Electrical
- Forklift/Scissor lift
- Robotics and Automation
- Blueprint Reading
- Assembling and Manufacturing Processes
- Management

Monday **JUNE 7** -TO- Thursday **JULY 1**

8:00 a.m. to 5:00 p.m.

### FAIRFIELD COUNTY WORKFORCE CENTER

4465 Coonpath Rd. NW  
Carroll, OH 43112

*\*This class is in-person.  
Lunch is provided daily &  
scholarships are available.  
Cost: \$450*

*\*Most participants will be  
eligible for funding to cover  
the training and mileage to  
the Workforce Center.*

Participants who complete this program will receive certifications in OSHA and CPR/AED. In addition to these skills, participants will engage with employers, and work with Career Navigators who will help them identify and apply for a great career in the manufacturing sector!

### ADDITIONAL BENEFITS:

- Meet with manufacturers at a job fair to secure employment
- Additional \$1/hr added pay if you are hired by a manufacturing partner
- General job skills
- Forklift training
